

"How I saved a policeman's life"

EVEN THE eggs.
WERE TIRED that morning.
AND THE coffee.
DIDN'T FOOL me one bit.
BUT WHEN after breakfast.
MY CIGARETTE tasted awful.
IT WAS too much.
AND A grouch started.
AND WALKING to work.
I SWORE off smoking.
AND DECIDED to fire.
MY OFFICE boy.
BUT JUST before I decided.
TO KILL a policeman.
A MAN passed me.
SMOKING A cigarette.
AND SAY but the smoke.
THAT DRIFTED back.
DID SMELL good.
AND I followed him.
INTO A store.
HE THREW down two dimes.
AND SAID "The same."
AND SO did I.
AND SO I'm still smoking.
AND STILL keep that.
OFFICE BOY and I let that.
HANDSOME POLICEMAN live.
AND I'm going to boost.
THAT MAN I followed.
FOR PRESIDENT or something.
FOR REALLY those cigarettes.
DO SATISFY.

JUST a whiff of that spicy aroma of fine Turkish and Domestic tobaccos will make you hungry for this "satisfy" smoke. There are blends and blends, but none like this one. Chesterfield's blend is a secret and it cannot be copied.

Hot Days Trying On Elderly Folks

Sluggish, languid, constipated feeling is quickly removed by Dr. Caldwell's Syrup Pepsin

DR. W. B. CALDWELL

THOSE who are past the prime of life know the discomforts of hot weather. Exercise is tiring, and constant sitting around soon brings constipation. It is especially dangerous for elderly people to allow constipation to continue for it creates poisons in the system that may bring on a serious illness.

If you pass a single day without full and free elimination, do so many thousands of elderly folks do and at once take a teaspoonful of Dr. Caldwell's Syrup Pepsin, and you will find prompt relief. It is only by doing this that you can be sure of feeling well. You must not trust constipation to correct itself.

Dr. Caldwell's Syrup Pepsin is particularly suited to elderly people as it is a combination of gentle laxative herbs with pepsin that acts gently and without griping. Unlike so many medicines, it can be used exclusively without loss.

FREE Millions of people of all ages suffer from occasional or chronic constipation. Let them send name and address to Dr. W. B. Caldwell, 512 Washington Street, Monticello, Ill., for a free sample bottle of his wonderful Syrup Pepsin. 8 million bottles were bought at drug stores last year, the largest sale in the world.
